

The Immokalee Friendship House is one of the shelters this congregation helps support through the Christmas Giving Tree. During the summer months, the Immokalee Friendship House (part of St Matthew's House in Naples) struggles to meet the needs of its 30-35 residents, including men, women, and families.

A Christmas tree has been placed in the Narthex as we celebrate a Christmas in July, by collecting items for the above residents through the end of July.
