

HOME HEALTH CARE QUESTIONNAIRE

- How are your services paid for? Do you accept Insurance payments?
- Are your staff paid on an hourly basis?
- Do you have written information on the cost that you charge for each of the Services you provide?
- Does your organization have any kind of accreditation or review where personal reviews are given to be used for reference?
- How do you match up an individual with a “Caregiver?”
- Will you provide information on the “Caregiver” you choose for an individual? Such as how long they’ve been with the company, their experience, and their background information?
- Do the “Caregivers” expect any type of “tipping” when they come to provide the services?
- Is there a minimum amount of time that an individual can come for the “Care Services” provided?
